

Winter leaf nets

Protect your investment and save!

Purchase a leaf net and we will install it at time of closing to catch the falling leaves. We will return before your pool freezes to remove the net and bag the leaves* keeping your cover cleaner over the winter months!

*additional charge for leaf net removal

Spring pre-treatment for 2019

\$85

Our spring treatment for pools will help you get a head start on summer swimming! We will treat your pool with algacide and chlorine before your pool is opened to help get your pool clearer, sooner!

Book and pay at time of closing and save \$20

Unfortunately, due to increased labour & operating costs, some services & products have a modest price increase this year.

We are proud to sell only top quality pool covers waterbags and leaf nets!
